

## **About Es'hailSat**

Es'hailSat, The Qatar Satellite Company was established in 2010. Based in Doha, Qatar, the company owns and operates satellites to serve broadcasters, businesses and governments. Es'hail 1, which shares a spacecraft platform with the European satellite operator Eutelsat, was successfully launched on 29<sup>th</sup> August 2013. The satellite provides television, voice, Internet, corporate and government communications services across the Middle East and North Africa region and beyond. Es'hail 2 is currently under development and will be located at the 26 degrees East TV broadcasting hotspot. [www.eshailsat.qa](http://www.eshailsat.qa)
